Beginning in Rio de Janeiro, this trip will ease you into the Brazilian laid-back way of life. Visiting idyllic beaches and delving into the city life over several days, where the Brazilian 'Amor á vida' (love of life) will take you through to Bahia.

In Trancoso, the Bahian slow pace of life will have you in a state of total relaxation as you are surrounded by tree-lined beaches, great music and friendly people.

From Trancoso, a beautiful, scenic drive through tropical forests and Cacao Farms will take you to Itacaré, stopping along the way for a traditional Bahian lunch and speedboat trip.

A stay in the windswept paradise of the Txai Resort should have mind, body and soul revived and replenished, in perfect time for your next city destination, São Paulo, one of Brazil's most energetic and vibrant cities.
